

Women's Self-Defense Class

'FIRE POWER'

This class will teach you how to effectively defend yourself from an attack using BOTH empty hand striking and a handgun!

WHAT: This 3 hour intensive course is broken down into 2 key parts. First you will learn simple yet effective ways to defend yourself against various grabs and attacks. Secondly, you will learn how to safely handle a firearm and practice shooting a handgun. All taught by certified and experienced instructors who are dedicated to helping every student improve their skills in self-defense.

WHO: Women with the desire to learn how to defend themselves with or without a firearm. Whether or not you've shot before or trained in martial arts, this class can benefit you!
